

BRITISH SCHOOLS CYCLING ASSOCIATION (BSCA)

Sutton Cycling Club/De Ver Cycles is affiliated to BSCA (Membership No S 1029) and the Club applies for your BSCA membership card, which you do not have to pay for. Ask the Club Secretary if you need one. (NB: This card is **not** the same as a British Cycling Racing Licence.) If you forget your card on the day of the race, you have to pay a day membership fee of £1.00 (£2 for National events).

When you compete in BSCA events, you ride for your school, not the Club. You can download entry forms from their website <http://www.bsca.org.uk>, but remember that the Parental Consent section must always be signed.

Unfortunately, there are not many ordinary BSCA events in our area (generally some Hill Climbs and Reliability Rides in Kent) and the BSCA National Championships in various cycling disciplines are held at venues all around the country.
